RE: Correction to Demolition Certification

Dear Mr. Jeffrey:

In 2020 the City submitted demolition assessments that were to be split out over 5 years, based on our conversations it has been determined that they cannot be split over multiple years. These assessments originally were to start with tax bill 2021 payable in 2022 and continue until through the 2025 tax bill payable in 2026. To be compliant with your request, please accept this letter to apply the remaining balance to the 2023 tax bill payable 2024, these assessments are listed under code M21556021 and it appears that the following parcels will be affected:

| | |
|--------------|------------|
| 57-00228.000 | - 7,740 |
| 57-03223.000 | - 10,230 |
| 57-04589.000 | - 5,977.20 |
| 58-00946.000 | - 10,120 |
| 58-01212.000 | - 10,060 |
| 58-01241.000 | - 1,270 |
| 58-02827.000 | - 6,990 |
| 59-01215.000 | - 5,010 |

Total = \$54,457.²⁰

Thank you in advance for your time in this matter.

Sincerely yours,

Michelle Reeder
