Erie County subdivisions:

I am happy to report that due to the healthy balance in our Real Estate Assessment fund, which funds our property tax valuation and property transfer processes, I did not charge and collect any real estate assessment fees against your levies on the your 2nd half real estate distribution. This means more funds are distributed back to you for use in your operations. Depending on the status of this fund in 2024, I will consider suspending the collection of this fee again in 2024.

Sincerely,

Richard H. Jeffrey
