Dear Mr. Jeffrey:

Please accept this letter as verification of the Village of Castalia's desire to maintain the .80 Mill assessments for street lighting. This assessment will apply to all parcels within the Village excluding those exempt properties (i.e. schools, churches, government owned properties, etc....).

If you are in need of additional information, please contact me at 419-602-2303 or via e-mail at cmyers.castalia@gmail.com.

Sincerely,

Cathy A. Myers
